

Hello

I'm Himani Dangwal (MULTIDISCIPLINARY ARTIST)

Mobile No. +91 9557688628

Email- himanidangwal531@gmail.com

Seasoned graphic and visual designer with five years in the digital content space. I specialize in crafting impactful marketing strategies, campaigns, and storytelling to enhance product and service branding. Seeking a dynamic role to apply creative skills across diverse visual, print, or media. Recognized for motivation, quick learning, and attention to detail. Proficient in Adobe Photoshop, Illustrator, Figma, InDesign, Premiere Pro, illustration, and color grading. Ready to contribute effectively to creative projects. Looking for film projects to assist with on the ground.

Experience

Freelance in diverse projects (2023- 2025)

For the last 2 years, I have worked on many different projects, sharpened my video editing skills and photography skills, and I am working on my own film and in the process of screenplay writing. I am also a creative system lead for the **DIGIDHAARA FOUNDATION**, working currently in Almora, Uttarakhand, and have been developing short films and documentaries for the same. Doing video editing, voice-over, and color grading. Also worked with **OVA DIALOGUE**, a personal project of a talented artist and filmmaker. Have been doing visual design for the OVA project. Developed and shot a few short videos for the same and for some personal projects. It's been 2 years since I started doing my bold self-portraits, conceptualizing, set design, clicking, editing, etc., all by myself. Still in the process of sharpening my skills for on-ground and off- ground work.

Yellow Slice, Mumbai —Sr. Graphic designer

Proficient in Adobe Photoshop, Illustrator, Figma, and Premiere Pro, I currently serve as a project manager. Responsible for orchestrating client meetings and overseeing projects, I play a pivotal role in crafting branding designs, icon designs, and illustrations for various UI/UX initiatives.

Krazylow LLC, India —Sr. Graphic designer

My role consisted of doing graphics and illustrations for the client's websites and in-house production. Were involved in copywriting and early stages of social and web development for the growing start-up.

Azym Technologies Pvt Ltd, India —Web and graphic designer

I used to make the whole website templates and design the templates in the builder software. to create the whole website.

PM Relocations Pvt. Ltd., Gurugram — Junior Graphic Designer

In my role as a graphic designer at PM Relocations, I specialize in managing branding and creative marketing initiatives for the company. My responsibilities encompass overseeing all aspects of graphic design for various social media platforms. Internally, I handle in-house graphic design tasks, including creating presentations, company profiles, social media posts, and videos.

Dice, Gurugram — Graphic Designer Intern

Employed at ANTREPRIZ, a product-based company, I have successfully executed website development, crafted infographics, and designed digital interfaces for dashboards. Additionally, I authored a comprehensive user manual and produced instructional videos for the company's app. Alongside these responsibilities, I acquired knowledge in marketing, actively participating in cold meetings to further enhance my skills.

What I do in my Free time

I bring a versatile skill set to the creative realm, excelling in photo editing, portrait shoot, video editing, color grading and content creation. Proficient in digital illustration for t-shirt designs.

I also curate impactful social media content. A seasoned photographer, I've collaborated on music videos and with brands. In my free time, I enjoy video editing and am passionate about sketching, painting, and supporting mental health conversations.

HOBBIES

Passionate about backup traveling, film watching, and staying updated on trends. In my free time, I enjoy gardening, writing, yoga, dancing, photography, and sketching.
